

Financial Information

Our goal is to provide and deliver the finest care to our patients. To assist you with the investment in your oral health, we have outlined our **payment policy**.

Payment is due at the time service is rendered. Once we have established your treatment plan, we will provide a summary of your **estimated** fees for treatment, as well as an **estimate** of any insurance benefits. Our goal is to help you reach a clear understanding of the recommended treatment and its **costs**.

Your estimated portion of fees for treatment is payable at the time of service. Payment options include cash, check, MasterCard, Visa, and Discover. Outside financing through **Care Credit** is also available for those who prefer a long term payment plan. (apply online www.carecredit.com)

As a **courtesy** we will file insurance claims on your behalf. **Please remember you are fully responsible for all fees charged by this office regardless of your insurance coverage.**

Any remaining balance after your insurance has paid, is your responsibility.
Your prompt remittance is appreciated.

If you have questions regarding your account, please contact us at 802-388-6344. Many times, a simple telephone call will clear any confusion or misunderstandings.

Maple View Oral and Maxillofacial Surgery
